

FREE Q & A FOR FAMILY LAW ATTORNEYS

with Dr. Katrina Kuzyszyn-Jones

Clinical & Forensic Psychologist

Do you have questions about a case that you need to ask a psychologist but do not know if it's worth spending the time or money to have a consultation? Are there mental health questions that often come up in cases that you wish you had a clearer answer for? Well, you're in luck! Dr. Katrina Kuzyszyn-Jones will be offering a FREE Q&A Session to family law attorneys. Bring your case specific questions to help determine if further consultation would benefit your client. Clarify what your client needs before going to the expense of having the wrong evaluation completed.
